TALK TO THE SSBE EXPORT TEAM

Let's plan your next rice shipment.

Tell us what your market needs. A clear brief helps our team discuss product selection and prepare a relevant quotation.

01 Variety & quality

Rice type, grain length, broken percentage, chalkiness and moisture requirements.

02 Quantity & packing

Required volume, preferred bag size, labels and delivery timing.

03 Destination

Country, discharge port and shipment documentation requirements.

The product details in this brochure are drawn from the rice section of the previous SSBE catalogue. Confirm current availability, product samples, specifications and export terms with our team before placing an order.
